## A MESSAGE FROM OUR PASTOR

*Rev. Michael Droege*

My life has radically changed since the last Hilltopics. In the last issue of Hilltopics I wrote the lead article while Carol was in the hospital all about homecoming. By the time it was published she was in the “Memoriam” section. What a difference a couple weeks made. I would be hard pressed to say that I am ok. I am not sure how one gets ok – yet. I know that there is more life. I know that there is a forward, though my heart aches with what is past. Sometimes hope is like that. Hope doesn’t always feel good. Hope is sometimes painful. Hope sometimes makes you angry. Sometimes all hope does is help you put one foot in front of the other.

That is more what the hope of Advent is all about.

God’s people have always lived in painful hope. Our hope is not because everything is ok. Our hope is because pretty much nothing is ok, but we cling to the promise that the arc of our lives bend toward where our hope lies (to borrow from Dr. King). The people of God who live in authentic hope aren’t the shiny happy people that we sometimes think that Christians should be, but we are people who know pain.

Hope allows our eyes to still hold love. Advent hope means we still work to make a world where all people have dignity – though that seems like an impossible task. We work toward a just and loving world because we believe that God is moving us there. We sing songs of freedom while we know the road is just going to keep hurting. We don’t do this to kid ourselves, but because we really do believe. God’s people do not live in Advent because it’s “the most wonderful time of the year” but because Advent season is the darkest of the calendar year and we believe in spring.

I believe in the world that I was building with Carol. I’ll keep building it. It is the same world that we were all building together. I’ve had a setback. That is to be sure. But I’ll also reconnect with my home through the dark months ahead. I am grateful for Advent light. You are loved. – Michael

## MESSAGE FROM OUR BOARD PRESIDENT

Nancy Scott

Hello Wilson Family!

Thank you all for your participation at the annual meeting. All of the proposals on the ballot passed overwhelmingly. I'd like to congratulate the 2023 Executive Board members. We have our first meeting in a few days and I think I can promise them an exciting year.

As I write this, we are preparing for our Shrove Tuesday Pancake Dinner (February 21st at 6:00pm) hosted by the Hunsinger family and our Lenten Soup Suppers. As we go into this Holy season, it is a good time to reflect on how we can incorporate the teachings of Jesus into our lives, both individually and as a church family. Our recent mission study reinforced the importance Wilson places on providing help to those in need.

This year, I will be asking the Board how we, as a church, can expand on our current in-reach and outreach programs. I'll ask you the same question. Is there a particular group that you work with that would be a good fit for Wilson? Are there events going on in your neighborhood that Wilson could participate in? WoW is off to a great start with collecting and packaging menstruation kits for Church World Service (CWS).

We will also be exploring ways to keep you more informed about the work of the Board and various committees. Last year, the Board spent a lot of time planning and participating in various events throughout the year. This year, WoW will be taking on some of these responsibilities. Ultimately, our goal is to have an Events Committee.

At our first Board meeting, I will be asking everyone to think of new ways to utilize and advertise our space for outreach and rental income. I will propose that Homecoming becomes an annual event. We will attempt to have at least two fundraising events this year. We will focus on revitalizing our space, the remaining building renewal projects we discussed last year, and continuing to hold, or participate in, all of the many outreach events of 2022.

As always, I ask for your help, ideas, advice, and participation. Let's work together to make 2023 a banner year for Wilson!

Nancy

## FINANCIAL FACTS

Our year has started off on a positive note with some early annual Congregational Giving receipts and minimal expenses. Our interest and return on investments were healthy in January, as well.

The Executive Board looks forward to continued fundraising opportunities that supplement our operating budget while providing fun, engaging fellowship time.

2023 is off to a great, *snowless* start as we enter our Lenten season.

Please help celebrate Easter and support our hopes for the future by using the enclosed Easter giving envelope. Your generosity is appreciated.

With gratitude,  
Pam Davis

## FACILITIES

This is my first report as Facilities Chair. It is a daunting task to follow Tony Cito in that capacity but I vow to do my best to equal his effort.

Toward that end, we have decided to create a team intended to divide oversight of the facility into 4 areas, each headed by members who have expertise in those fields. I am pleased to list the names of those who have stepped up to fill those spaces.

- Keith Wighard will oversee the “Grounds”.
- Paul Ost, with his long-term knowledge of our various buildings, will continue to keep an eye toward all the “Systems”.
- Pete Della Ventura will overview the “Structures”,
- Lisa Shpunder will monitor the “Interior Appearance” and “Maintain ‘How to ...’ Records”. My job will be to coordinate and distill the efforts of the team.

The following items have been accomplished recently:

- A yearly maintenance contract with Nardi Heating and Cooling has been finalized
- The choir loft has been redesigned to better accommodate our current music team and tech requirements and allow for a better flow of movement in the front area of the Sanctuary.
- A new landscaping contract is being negotiated.
- A roofing contractor has been engaged to explore and repair a leak which has appeared near the chimney of the fireplace in Fisher Hall.

Future projects to be explored include:

- Replacing rotting material around the large front windows of Fisher Hall
- Upgrading the condition of our many colored windows in the Sanctuary by replacing compromised wood where necessary and adding protective, insulating glass to the outside of each.

Both projects are necessary and significant in scope and expense.

Our building is aging, and as we care for it, we continue to appreciate the contributions of our congregation in keeping our light shining here on the hill.

There is an update on the following projects which have been completed:

Blackburn Hall & sinking bathroom above:

\$42,656.80

Office Wing roof: \$36,310.00

Water remediation–Manse: \$28,220.00

Total: \$107,186.80

Donations received: \$28,510.00, including \$6,000.00 from the Frippery

Memorial Endowment: \$26,000.00 (to cover the office wing roof)

Building Repair Fund: \$42,676.80

Total: \$107,186.80

Many thanks to all our individuals who donated toward these important projects and to the Frippery and the Memorial Endowment.

## EQUITY COMMITTEE

Michelle Marigliano

"Mighty God, open our minds, stir our hearts, and teach us how to 'act justly', 'love mercy', and 'walk humbly' with you today." (Micah 6:8)

We at Wilson Memorial Church are designing and managing our building and spaces so that they can be readily accessed and used by everyone, regardless of age, size, ability or disability.

Have you noticed the Wilson Memorial Church sanctuary redesign?

The pews in the choir space and rear of the sanctuary have been removed. Folks can now self-select from several locations within the sanctuary to experience Sunday worship. The piano has a new location, and the lectern on some days is no longer front and center. These modifications allow our congregation to stroll, roll, and move without obstacles, and offer access to a multi-sensory experience without barriers.

In January Wilson began offering a gluten free communion option. Whether you have a food allergy or choose to remove this common food allergy from your diet for other reasons, we at Wilson Memorial Church want you to be included in our communion ritual. We are delighted to share that within the next month we will transition to gluten free communion for everyone.

Systemic or structural inequality happens when there is inherent inequality in the structures or processes carried out by groups of people who make decisions.

What examples of systematic and structural equity have you noticed that the Wilson Community can implement?

For example, in addition to flexible seating or communion hospitality, are there opportunities for us to consider clear, well-placed signage that uses recognizable symbols or pictograms to engage people with reading or cognitive difficulties, as well as those whose first language is not English?

Having choices that align with personal needs and preferences allows each of us to feel seen and heard. When we feel seen and heard we move through our life experience better in tune with our essential purpose, and more confident with seeking out new experiences.

What do you think we need to do to ensure that we create spaces that allow folks to feel seen and heard?

Share your ideas with the Equity and Justice Committee by emailing us at [admin@wilsonmemorialchurch.org](mailto:admin@wilsonmemorialchurch.org) or share your thoughts with Lisa Shpunder, Cota Kania or Michelle L. Marigliano during coffee hour.

### MUSIC CORNER

Timothy Walton

As Lent approaches we soothe our hearts with songs that remind us of the season.

We, the Music Collective, look forward to seeing you on Tuesday evenings at 6:30pm. Come. Learn a new song, enjoy this time of fellowship. We will be preparing music for Sunday's Worship and Easter Sunday.

If you are interested, send a message to [twalton.wilson@gmail.com](mailto:twalton.wilson@gmail.com).

ALL ARE WELCOME. From my heart to yours...may His peace be with you till we meet again!

## WoW

Cota Possien-Kania

The year 2022 ended with WoW organizing a Warm Winter Wear collection which was distributed by Angela Della Ventura at the Plainfield Food Security Program in Plainfield twice per month. Each distribution resulted in all our donated items being gratefully received, with all items being rehomed!

WoW is once again helping organize our Shrove Tuesday Pancake Supper on February 21 at 6 p.m. Volunteers are needed to set up, serve and clean up. See the sign up sheet on Sunday in Fisher Hall.

Lenten Soup Suppers organized by WoW will begin on Sunday, March 5 and continue through March 26. All at 4:30 p.m. in Fisher Hall. Wow will host on March 12; Harold Kreis on March 5. Other soup makers are needed! See sign up sheet in Fisher Hall.

Church World Services (CWS) will receive some Wilson love and a major service project with WoW making "Period Packs" filled with feminine hygiene products to be distributed by CWS. Interested in helping? Sign up in Fisher Hall.

### LOOKING AHEAD:

Next WoW meeting is Thursday, March 2 at 11:30 a.m. in Fisher Hall.

Probably no meeting in April due to Holy Week. Discuss possible group activity/trip.

Looking for a facilitator to continue the Saturday WoW group. Volunteers?

For additional information please contact Cota Possien-Kania. cotapkania@gmail.com

## USHERS-GREETERS

Welcoming our visitors and church family into our church is a vital part of who we are at Wilson Memorial Church.

If you are interested in this vital ministry, please see Paul Ost, Russ Harding or Pam Davis. Help us welcome EVERYONE to our church family!

## **THE FRIPPERY THRIFT SHOP**

(The pale yellow building in the TOP parking lot)

**OPEN Tuesdays/Thursdays and the FIRST Sat each month 9:30-12:30.**

Hello everyone! As you are reading this we are in the midst of taking down and donating any WINTER clothing to Dress For Success, The Pregnancy Aid Center, Bridges, Local Food Pantries and the VA Hospital at Lyons and possibly Agape House in Somerville if they are back to accepting donations after covid.

Our "Spring and Summer line" will be on the racks by the third week in February for your shopping pleasure.

If you haven't stopped in for a while, make sure to come spend an hour with us! Our lovely items can compare to Home Goods, TJ MAXX and Marshalls without the high price tags! Plus the money that comes in goes right out to the church and community needs. It's an unconfirmed rumor that Jennifer Aniston and Brad Pitt have been known to shop incognito for The Oscars right here at the Frippery!!!

We LOVE incoming donations from your home but please limit them to one bag or box each week, we get inundated with items quickly. the items seem to come IN faster than the items leaving.

ALL YEAR we appreciate your leftover tissue paper after showers and parties, we wrap all the glass items that customers purchase in it.

The Frippery was proud to recently support The Wilson Memorial Building Fund with \$6,000 that was used to redirect water in Michael's backyard and help toward building a beautiful patio. We also proudly supported Shirley Kreis with \$200 for her Penn State Dance A Thon benefiting Childhood Cancer. We've also sent out a FAIR SHARE of delivered meals to church members and volunteers who have been ill recently.

The Frippery is celebrating it's 52nd year.

Any questions, feel free to call/text Lisa Renaud 908-625-5042

### **UNITED FAMILY AND CHILDREN'S SOCIETY Christmas gift collection 2022-**

Thank you from Lisa Renaud AND United Family in Plainfield for ANOTHER outstanding year with gifts for 100 people on Christmas morning. I know I've been doing this since 1992, making it my 31st year and my mother, Mary Ann Ingram had collected for United Family and The Park Hotel in Plainfield for at least 10-15 years before that.

Five social workers met us at Wilson in early December to fill there cars with gifts to take back and distribute to parents or in some cases grandparents to wrap the gifts for Christmas morning. YOU were the STARS that made that possible! It's a big job but it sets the Christmas tone for me, Thank you! xo

### **MARY ANN'S MITTENS, 2022 Collection**

This was our 5th year collecting hats, gloves, mittens, socks, etc in memory of Mary Ann Ingram. We tallied 537 ITEMS and I was also given \$90 to buy more when they go on clearance soon :) - Some were distributed and others will be separated by the confirmation class to be given out in February. They get divided between local food pantries, Visions and Pathways which is a safehouse for teenagers in Bridgewater ,Agape House which is a temporary homeless shelter in Somerville for singles and families, the "Blue Bin" families, and the Pregnancy Aid Center in Raritan. Many thanks from the bottom of my heart to all that contributed xo Lisa Renaud.
